KEY FEATURES

Night Owl CAM-CM01-245: Indoor / Outdoor Color Wired Camera with 45 ft Night Vision, 60ft of Cable and Vandal Proof 3-Axis Mounting Bracket

Night Owl's CAM-CM01-245 is a sleek indoor / outdoor night vision camera. Utilizing 400 TV lines of resolution, the camera produces clear and crisp images during the day. At night, the 24 powerful led's produce a night vision image up to 45 feet away in complete darkness. The camera comes packed with a 60ft of video/power cable, power adapter and a BNC to RCA adapter for easy connection to any TV (RCA) or Night Owl DVR (BNC).

Night Vision up to 45 ft in complete darkness
The indoor/outdoor[2] color camera provides you with a clear, crisp, and enhanced image at 400 TV lines of resolution. The camera come equipped with 24 infrared LEDs that allow you to see in the darkness, up to 45 feet away! [1]

Indoor / Outdoor Housing
The camera housing is specifically designed to be used indoors or outdoors[2]. The camera can withstand temperatures between 0°F and 114°F. Utilizing IP-66 the camera is water and weather resistant.

3-Axis Camera Bracket
Each camera comes with a 3-axis bracket for quick and easy mounting. In addition, the bracket allows the camera cable to be run directly through it and into the wall thus not leaving the cable exposed. This deters the vandals and thieves from simply cutting the exposed wires and rendering the camera useless.

400 TV Lines of Resolution
The camera has a sharp Color CMOS sensor that produces clear and crisp images at 400 TV lines of resolution. This equates to about 20ft of facial recognition. This is imperative for law enforcement to be able to prosecute the perpetrators.

Connects Easily to your Television (RCA)
The camera easily connects to your TV for instant viewing. This camera comes equipped with a BNC to RCA adapter so you can plug directly into your TV.[3]

Connects Easily to your DVR (BNC)
The camera can also connect directly to your DVR utilizing the industry standard BNC connector. Remember all Night Owl systems are compatible.

Compatible with All Night Owl Systems
All Night Owl cameras are compatible with every Night Owl DVR system. We utilize industry standard BNC connectors on all of our DVR's and cables. If you own a Night Owl DVR you never need to worry if the camera will be compatible.

1 Year Worry-Free Warranty
All Night Owl products come with a 1 year worry-free warranty. For a period of 1 year from the date of sale Night Owl ensures that the product will be free from manufacturing defects and workmanship. In the event that the product is or becomes defective we will replace the unit at no charge.

Lifetime Customer Support
All Night Owl security products come with lifetime customer support via or website www.NightOwlSP.com or by phone 1-866-390-1303
